Wind me up and set me down.
Watch me go then round and round.
All day, all night I will go
backwards, forwards, to and fro.

Round and round I go,
where I stop I don't know.
Round and round I go,
where I stop I don't know.
Round and round I go,
where I stop I don't know.
Round and round I go,
round and round I go.
(repeat)

Wind me up and set me down.
Watch me go then round and round.
All day, all night I will go
backwards, forwards, to and fro.

Round and round I go,
where I stop I don't know.
Round and round I go,
where I stop I don't know.
Round and round I go,
where I stop I don't know.
Round and round I go,
round and round I go.
(repeat 3 times)
