Another dumb radio song
lets turn it up and all sing along.
You can't be sure but you've heard it before
so soft and light just six major chords.

Guaranteed to make a visible difference.
Fortified with purifying tones.
Adding volume while retaining highlights.
It works like a dream.

It's softly contemporary,
glides on so it's light and creamy,
skins smooth without feeling greasy,
your hairs looking soft and dreamy.

I love a dumb radio song,
firms up the thighs while you hum along.
Kind to sensitive skin
they'll never know that you're wearing it.

Guaranteed to keep the moisture surging.
Fortified with rabbit foetal gel.
Stay fast colour for the binge and purging.
It's just like a dream.

It's softly contemporary,
glides on so it's light and airy,
skins smooth without feeling greasy,
your hairs looking soft and dreamy.

You've got wings for every party,
shaped to fit your natural form.
Now comes with an applicator.

It's hip and it's now and funky.
It's pop but a little punky.

Lets all sing along.
Oh Yeah
(repeat 10 times)
