I know a place where we can go.
If you say yes I won't say no.
It's nice and sweet and noone cries.
A smog of love gets in your eyes.

The sun always shines in Happyland.
And they have no crime in Happyland.
More lesuire time in Happyland.
And everything rhymes in Happyland
Stores never close in Happyland.
Anything goes in Happyland.
And we keep it clean in Happyland.
You're part of the team in Happyland.

So get up off your bum.
It's time to join the fun.
There's room for everyone.

I know a place where we can go.
The people smile, the flowers grow.
We'll make a life, and you will see.
A happy land just for you and me.

The sun always shines in Happyland.
And they have no crime in Happyland.
More lesuire time in Happyland.
And everything rhymes in Happyland
Stores never close in Happyland.
Anything goes in Happyland.
Life is a dream in Happyland.
Just don't make a scene in Happyland.

So get up off your bum.
It's time to join the fun.
There's room for everyone.

Walking in the park and the sun is shining.
Troubles of the world are way behind me.
Living in my dreams is where you'll find me.
Walking down the streets of Happyland.
(repeat 3 times)
