Break... for love

Break... for love

Break  
For love

Baby don't you worry  
I want to be the man that you want me to be

There's no need to worry  
I'm gonna give you love the way want it to be

I'll be there every morning baby  
To hold you tight  
And that's why baby  
You don't have to wonder why  
Why I love you  
I need you  
Got to ha-have you  
I need you, oh  
Right now

Break... for love

Break  
For love

I'll be there every night  
To hold you and kiss till the morning light

I'll be there every morning baby  
To hold you tight  
And that's why baby  
You don't have to wonder why  
Why I love you  
I nee-eed you  
Gotta gotta have you  
I need you right now
