ignore the tits by Hara'kiri  
IGNORE THE TITS  
Hey what's up  
what are you looking at  
Did I do something stupid  
or is it something I said

Hey what's up  
what are you staring at  
I thought you were my friend  
I thought you were my best friend

Hey what's up  
the look in your eyes has changed  
no, not longer friendly  
but passionate and deranged

I thought you were my soul mate  
someone I could trust  
I told you every secret  
but now this friendship's lost

Never wanted this to happen  
this chemistry in your head  
I warned you before  
Ignore the tits  
I said
