Take me home to sad blue mountain
Take me home to sad blue mountain
Take my breath away, blue mountain
Take my heart, it's yours blue mountain
Blue mountain, blue mountain

On my eyes they are sore, blue mountain
Let me rest them on your peak
Oh my soul is weary, blue mountain
Let it fly in your sphere, blue mountain
Blue mountain, blue mountain

So when I get down
I'll take the train, I ride it all night
So when I get down
I'll take the train, I ride it all night
So when the ground is spinning about you, place a sundial
Place a sundial

Cause often I feel so insecure
Will they applaud
Cause often I feel so lost in thought
Will they like what I do, what I do
Will they like what I do, what I do

So when I get down
I'll take the train, I ride it all night.
So when the ground is spinning about you, place a sundial
Place a sundial

Cause often I feel so insecure
Will they applaud
And often I feel so lost in thought
Will they like what I do, what I do
