I see the way that you're undressing me
The evil in your eyes
Had no idea that you'd ever be
Insane enough to take on me
A closet full of tools to hurt you
Even some that aren't meant to please you
You say "I know" but your innocence left
When you stared at me and bit your bottom pouty lip

You throw yourself on the floor for me
Waiting for me to ride
Even tie yourself up to the chains
That the bitch before sucked, fucked, and used me
Climax with the thought of my skin wrapped against
your skin
In repetition
Still then you have no idea what you've jumped into

Inflict the worst of pleasures
To make it all feel better
Won't try to tame intentions
It ain't no use
Inflict the worst of pleasures
To make it all feel better
I've been abused and used
Don't you think I'll Damage You

Mie sui ta sasoi kara
Sei o mukeru no
Watashi ga hoshii mono
Chi tsute iru deshou
Anata no naka no yami sae
Meiro subete nomi toshite
Konya ha hanare nai de
Anata ga hoshii

(The temptation for deeper matters comes from your
lucid charm
Don't I turn towards your comfort?
It's the reason that I want you
But thoughts keep coming between us, right?
In the middle of the darkness, you're the only thing that

I need
There's nothing else to help me through this labyrinth
Tonight, I won't distance myself from your intentions
You're the one that I need.)

Inflict the worst of pleasures
To make it all feel better
Won't try to tame intentions
It ain't no use
Inflict the worst of pleasures
To make it all feel better
I've been abused and used
Don't you think I'll Damage You
