Demons among us
awake upon a
heartfelt emotion
painful erosion

Obsessed beyond addiction no where to hide
the spiritual affliction the stupid kind
decisions of the flesh prick morality

remains imprisoned
Sacred injustice
ruled by the book
a blank existence
born by a fool

Obsessed beyond addiction no where to hide
the spiritual affliction the stupid kind
decisions of the flesh prick morality

remains imprisoned
they were never meant to hear
As the angels fail to sing
as I'm on my knees in fear
and the prayers fail to bring

The former being
has sewn it shut
we are divided
is that enough?
the spiritual affliction the stupid kind

Obsessed beyond addiction no where to hide
decisions of the flesh prick morality
remains imprisoned

As the angels fail to sing
and the prayers fail to bring
they were never meant to hear
as I'm on my knees in fear
They were never meant to hear

as I'm on my knees in fear

As the angels fail to sing
they were never meant to hear
as I'm on my knees in fear
and the prayers fail to bring
they were never meant to hear
They were never meant to hear
