Oh I can't believe what I've done.  
Unlocked the door, to my secret place.  
Thrust onto me,  
With arrows in my heart;  
The Inevitable,  
My soul's ripped apart.  
Fascination, once again, controls me.  
It's like a wish, or a dream, a nightmare  
Before me.  
The tears of the joy torture my emotion.  
Why can't this bliss  
Last forever more?  
I can't stand the thought of life  
Spent without your wicked eyes,  
Spent without our precious fights,  
Spent without your tainted lies,  
Spent without a restless night...  
I dwell upon the moment  
When you begged for a kiss.  
Hesitation--I know what it is  
It runs in circles, in my mind.  
Which man to blame in me,  
I'll never find...  
And I can't stand the thought of life  
Spent without your wicked eyes,  
Spent without our precious fights,  
Spent without your tainted lies,  
Spent without a restless night,  
(repeat)  
Spent without your love in mine...  
Share this poison with me. (x5)
