I'm packing my things up
Folding the memories
Trying to remember
Where I lost you
But somebody's found you
Fixing your heart up
So fast

Somebody's sleeping where I slept
Somebody's filling the space I left
On my side of the bed
On my side of the bed

Suddenly you've fallen in love
Fallen for somebody new
So what am I gonna do now
While he's sleeping on my side of the bed
I know it shouldn't matter
I know I shouldn't care, but I do
Cause he's sleeping on my side of the bed
My side of the bed

Breaking this habit
And try not to love you
Is breaking my heart up
But I promise
Promise I'll be alright
Maybe not tonight, no

Cause somebody's sleeping where I slept
Somebody's filling the space I left
On my side of the bed
On my side of the bed

So suddenly you've fallen in love
Fallen for somebody new
So what am I gonna do now
While he's sleeping on my side of the bed
I know it shouldn't matter
I know I shouldn't care, but I do
Cause he's sleeping on my side of the bed

My side of the bed

Oh my heart is breaking now
While you both are sleeping sound

I know it shouldn't matter
I know I shouldn't care, but I do
Cause he's sleeping on my side of the bed
My side of the bed
