My woman she don't cry  
'Cause my woman she's cold as ice  
She's cold as Ice

My woman she don't cry  
'Cause my woman she's cold as ice  
She's cold as Ice

She's cold as ice  
My woman she don't cry  
'Cause my woman she's cold as ice  
She's cold as ice

What to do with woman who's hard as stone?  
What to do with a woman you can't keep?  
What to do with a woman who's never home?  
Tell me what to do with a woman who's cold as ice?  
Cold as ice
