Oh one more drink and then I'll go  
But there's one more thing I've got to know  
Does he take you places that I don't?  
What happened to the story that we wrote?

You just say you don't know, you don't know  
Oh no you don't know, you don't know

Woo

Oh let's just get this whole thing straight  
I don't wanna kidnap the truth and negotiate  
Or miss the point that they met you  
Just wanna hear you say something that you believe to  
be true

You say you don't know, you don't know  
You just say you don't know, you don't know  
What it feels like  
What it feels like

And so I'll go before I fall to pieces  
Yes I'll go before I fall to pieces

Now I'm just waiting for something that might never  
come  
If it's a million to one shot I'll make sure I won  
Seems that nothing is safe, except the truth turns to  
lies  
Never figured it out, I figured out why

So I'll go, yes I'll go  
Yes I'll go, yes I'll go  
Oh baby I'll go, oh yes I'll go  
Yes I'll go, oh yes I'll go  
Before I fall to pieces  
Before I fall to pieces  
Yes I'll go before I fall to pieces  
Yes I'll go before I fall to pieces  
Ohhhhhhh Ohhh Ohhh
