Oh one more drink and then I'll go
But there's one more thing I've got to know
Does he take you places that I don't?
What happened to the story that we wrote?

You just say you don't know, you don't know
Oh no you don't know, you don't know

Woo

Oh let's just get this whole thing straight
I don't wanna kidnap the truth and negotiate
Or miss the point that they met you
Just wanna hear you say something that you believe to
be true

You say you don't know, you don't know
You just say you don't know, you don't know
What it feels like
What it feels like

And so I'll go before I fall to pieces
Yes I'll go before I fall to pieces

Now I'm just waiting for something that might never
come
If it's a million to one shot I'll make sure I won
Seems that nothing is safe, except the truth turns to
lies
Never figured it out, I'll find out why

So I'll go, yes I'll go
Yes I'll go, yes I'll go
Oh baby I'll go, oh yes I'll go
Yes I'll go, oh yes I'll go
Before I fall to pieces
Before I fall to pieces
Yes I'll go before I fall to pieces
Yes I'll go before I fall to pieces
Ohhhhhh Ohhh Ohhh
