Drivin' home this evenin'
Coulda sworn we had it all worked out
You had this boy believin' way beyond a shadow of a
doubt
Then I heard it on the street
I heard ya might of found somebody new
Well who is he baby - who is he and tell me what he
means to you
I took it for granted - but how was I to know
That you'd be lettin' go
Now it cuts like a knife - but it feels so right
It cuts like a knife - but it feels so right
There's times I've bin mistaken
There's times I've thought I've bin misunderstood
So wait a minute darlin' - can't you see we did the best
we could
This wouldn't be the first time - that things have gone
astray
Now you've thrown it all away
Now it cuts like a knife - but it feels so right
It cuts like a knife - but it feels so right
