I won't stand bein' broken hearted  
I won't be pushed around  
The rules were set when we got started  
But lately I have found  
We've spent too little time and too much heartache  
I feel we're losin' ground  
And lately I've been hearin'  
You won't be needin' me around  
Don't leave me lonely  
Just wanna be right by your side  
Your one and only - tonite  
So don't leave me lonely  
I need you here all the time  
So don't leave me lonely - oh no  
You say you need your independence  
Well I need mine  
Separate lives and separate feelings  
I guess that's fine  
But that won't last - it's no solution  
I know it can't survive  
And lately I've been thinkin'  
Thinkin' 'bout you all the time
