To really love a woman  
To understand her - you gotta know her deep inside  
Hear every thought - see every dream  
N' give her wings - when she wants to fly  
Then when you find yourself lyin' helpless in her arms  
Ya know ya really love a woman

When you love a woman you tell her  
that she's really wanted  
When you love a woman you tell her that she's the one  
Cuz she needs somebody to tell her  
that it's gonna last forever  
So tell me have you ever really  
- really really ever loved a woman?

To really love a woman  
Let her hold you -  
til ya know how she needs to be touched  
You've gotta breathe her - really taste her  
Til you can feel her in your blood  
N' when you can see your unborn children in her eyes  
Ya know ya really love a woman

When you love a woman  
you tell her that she's really wanted  
When you love a woman you tell her that she's the one  
Cuz she needs somebody to tell her  
that you'll always be together  
So tell me have you ever really -  
really really ever loved a woman?

You got to give her some faith - hold her tight  
A little tenderness - gotta treat her right  
She will be there for you, takin' good care of you  
Ya really gotta love your woman...
