Oh this heart's on fire
Right from the start it's bin burnin' for you
Oh this heart's on fire
One thing honey - this heart's true
Some other time
Some other place
I might not of bin here
Standin' face to face
I just wanna tell ya
'Made up my mind
You know I can't help the way I feel inside
Oh this heart's on fire
Right from the start it's bin burnin' for you
Oh this heart's on fire
One thing honey - this heart's true
The streets are empty
The lights are down
There ain't nothin' movin'
This side of town
So come on over
I ain't hard to please
Oh baby - what you get ain't always what you need
Oh this heart's on fire
It's gettin hotter now can't you see
Oh this heart's on fire
From now on babe it's gonna be you and me
Ris'in' to my feet I can feel the heat
Oh, it's tryin' to pull me under
Runnin' through the night we can make it right
It's comin' on like thunder
Some got it good some got it bad
But you're the best I ever had
I never worry she's so fine
From now on babe I'm gonna be by your side
Oh this heart's on fire
Right from the start it's bin burnin' for you
Oh this heart's on fire
One thing honey - this heart's true
