I was caught in the crossfire of a silent scream  
Where one man's nightmare is another man's dream  
Pull the cover up high - and pray for the mornin' light  
Cause you're livin' alone - in the heat of the night  
Met a man with a message from the other side  
Couldn't take the pressure - had to leave it behind  
He said it's up to you  
You can run or you can fight (Ya that's right)  
Better leave it alone - in the heat of the night  
In the heat of the night they'll be comin' around  
There'll be lookin' for answers they'll be chasin' you  
down  
In the heat of the night  
(Where ya gonna hide when it all comes down)  
(Don't look back don't ever turn around)  
Had to pay the piper to call the tune  
Said he'd be back someday - said he'd be back real  
soon  
Pull the shades down low - you'll know when the time is  
right  
When you're lyin' alone in the heat of the night
