I swear to you - I will always be there for you -  
there's nothin' I won't do  
I promise you - all my life I will live for you - we  
will make it through  
Forever - we will be  
Together - you and me  
Oh n' when I hold ya - nothin' can compare  
With all of my heart - ya know I'll always be - right  
there  
I believe in us - nothin' else could ever mean so much  
You're the one I trust our time has come - we're not two  
people  
Now - we are one - ya you're second to none  
Forever - we will be  
Together - a family  
The more I get to know ya - nothin' can compare  
With all of my heart - ya know I'll always be - right  
there  
  
Forever - we will be  
Together - just you and me  
The more I get to know ya - the more I really care  
With all of my heart - ya know I'll always be...  
Ya know I really love ya - ya nothin' can compare  
For all of my life - ya know I'll always be - right there
