the biggest lie you ever told - your deepest fear 'bout  
growin' old  
the longest night you ever spent - the angriest letter  
you  
never sent  
the boy you swore you'd never leave - the one you  
kissed on  
new years's eve  
the sweetest dream you had last night -- your darkest  
hour,  
your hardest fight

i wanna know you - like i know myself  
i'm waitin' for you - there ain't no one else  
talk to me baby - scream and shout  
i want to know you - inside out  
i wanna dig down deep - i wanna lose some sleep  
i wanna scream and shout - i wanna know you inside  
out  
i wanna take my time - i wanna know your mind  
ya know there ain't no doubt - i wanna know you inside  
out

the saddest song you ever heard - the most you said  
with  
just one word  
the loneliest prayer you ever prayed - the truest vow  
you  
ever made  
what makes you laught, what makes you cry  
what makes you mad, what gets you by  
you highest hight, your lowest low - these things I want  
to  
know

i wanna know you - like i know myself  
i'm waitin' for you - there ain't no one else  
talk to me baby - scream and shout  
i want to know you - inside out  
i wanna dig down deep - i wanna lose some sleep  
i wanna scream and shout - i wanna know you inside

out  
i wanna take my time - i wanna know your mind  
ya know there ain't no doubt - i wanna know oyu inside  
out  
i wanna know your sould - i wanna lose control  
c'mon n' let it out - i wanna know you inside out  
ya gotta dig down deep - i wanna lose some slieep  
i wanna scream and shout - i wanna know oyu inside  
out tell me everything...
