I love the way ya look tonight
With your hair hangin' down on your shoulders
N' I love the way ya dance your slow sweet tango
The way ya wanna do everything but talk
And how ya stare at me with those undress me eyes
Your breath on my body makes me warm inside

Let's make out - let's do something amazing
Let's do something that's all the way
Cuz I've never touched somebody like the way I touch
your body
Now I never want to let your body go...

Let's make a night - to remember
From January - to December
Let's make love - to excite us
A memory - to ignite us
Let's make honey baby - soft and tender
Let's make sugar darlin' - sweet surrender
Let's make a night - to remember - all life long

I love the way ya move tonight
Beads of sweat drippin' down your skin
Me lying here - n' you lyin' there
Our shadows on the wall and our hands everywhere

Let's make out - let's do something amazing
Let's do something that's all the way
Cuz I've never touched somebody like the way I touch
your body
Now I never want to let your body go...

Let's make a night - to remember
From January - to December
Let's make love - to excite us
A memory - to ignite us
Let's make honey baby - soft and tender
Let's make sugar darlin' - sweet surrender
Let's make a night - to remember - all life long

I think about ya all the time

Can't you see you drive me outta my mind
Well I'm never holdin' back again
Ya I never want this night to end
Cuz I've never touched somebody like the way I touch
your body Now I never want to let your body go...
