Put on your best dress darling  
Can't you see the time is right  
There will never be another tonight  
If you got your motor runnin'  
Then I got my engines on  
Say the word and darlin' we'll be gone  
Outside the world is waitin'  
But we won't lose control  
So come on now - let the good times roll  
You gotta ride your broom right into my room  
Kick off your shoes make yourself at home  
Wave your little wand - weave a little spell  
Make a little magic - raise some hell  
There will never be another tonight  
C'mon baby - hold on tight  
There will never be another tonight  
I don't care if it's wrong or right  
We got nothin' to lose just me and you  
In your wildest dreams...  
There'll never be another tonight  
Who cares about tomorrow  
Let the wind fill your sails  
A runaway train ridin' on the rails  
We got the bases loaded  
Home run - power play  
Tonight's the night we're goin' all the way  
You gotta ride your broom right into my room  
Kick off your shoes make yourself at home  
Wave your little wand - weave a little spell  
Make a little magic - raise some hell  
There will never be another tonight  
C'mon baby - hold on tight  
There will never be another tonight  
Flash your diamonds shine your lights  
There'll never be another tonight  
I don't care if it's wrong or right  
Cause we got nothin' to lose just me and you  
In your wildest dreams...  
There'll never be another tonight  
Some people they're looking for paradise  
Others they're looking for inner light

Me I'm just having the time of my life  
I'm headin' out, to check it out  
Check it out!!
