Youâ€™ve seen me before
But the words were never right
Cause I'm on a roll
And I ain't leaving without a fight

Brace yourself the time is right
Cause I'm on a roll tonight
Oh, I'm on a roll tonight
I'm on a roll yea

And if it's over then I'll go down swinging like hell
I'm not afraid of the fall, of it all
And isn't it just what you wanted to see?
Yeah wo-o-o

You'll never let go
Once you took your bite
Cause I'm on a roll
and I ain't leaving without a fight

Brace yourself and hold on tight
Cause I'm on a roll tonight
I'm on a roll tonight
I'm on a roll yea

And if it's over then I'll go down swinging like hell
I'm not afraid of the fall, of it all
And isn't it just what you wanted to see?
Yeah wo-o-o
