There's something amidst in the world
Haven't you guessed shapeshifter?
While you hold in to your war so dear
We're growing fat, fat in your fear

[Chorus 1]

You and your voodoo, hoodoo
Talking your voodoo, hoodoo
Soon we'll be out to haunt you
You mensch have fallen out of grace
Don't you know that we're out to get you?
You and your voodoo, who do

I look inside you and I know you're untrue
I've come to punish you for your taboo
I take any form and any gender
I am the seer of all the great pretenders
I am shapeshifter
I am shapeshifter
Soon we'll be out to haunt you
You mensch have fallen out of grace
Don't you know that we're out to get you?

[Chorus 2]

You and your voodoo, who do
Talk, talkin', talkin', voodoo, who do
Talk, talkin', talkin', voodoo, who do
Your runestones and your voodoo, who do?

With a bit of love we die a little bit
Mensch fools will never come to this
We take any form and any gender
We are the seers of all the great pretenders
We are shapeshifters
We are shapeshifters

[Chorus 3]

Talk, talkin', talkin', voodoo, who do
Talk, talkin', talkin', voodoo, who do
Your runestones and your voodoo, who do?
Talk, talkin', talkin', voodoo, who do
Talk, talkin', talkin', voodoo, who do

Your runestones and your voodoo, who do?
