Heartache number one Was when you left me I never knew that I could hurt this way And heartache number two Was when you came back again You came back and never meant to stay Now I've got heartaches by the number Troubles by the score Everyday you love me less Each day I love you more Yes I've got heartaches by the number A love that I can't win But the day that I stop counting That's the day my world will end Heartache number three Was when you called me And said that you was coming back to stay With hopeful heart I waited For your knock on the door I waited but you must have lost your way Now I've got heartaches by the number Troubles by the score Everyday you love me less Each day I love you more Yes I've got heartaches by the number A love that I can't win But the day that I stop counting That's the day my world will end
