Stay up late
Then sleep in
Leaf blowing
Field trip today

Can't graduate
This college
Get a degree and
Complain, hey

Yeah these are the kids
That won't go to bed
Spray paint a peace sign
Or just go ahead

Little house
In the country
Let em guard it
Then watch it all burn

All his friends
Slash daughters
On the weekend
Slash black or red

Yeah these are the kids
That won't go to bead
Spray paint peace sign
Or just go ahead
