Baby (Let Me Love You)
Ready for the World
Baby let me love you
I just want to hold you
Baby let me be your love

Saw you with your lover
Things were lookin' naughty
Thought I'd be the only one

But I don't know
If I should love you
Baby
Because you're new
And in the morning
Will you love me
But I don't care

Baby let me love you
I just want to hold you
Baby let me be your love

Saw you with your lover
Thought I'd be the other
Baby let me be the one

But I don't know
If I should love you
Baby
Because you're new
And in the morning
Will you love me
Or have a new walk

Baby
Baby

In the mornin'
Will love me
Forever more
And, in the mornin'

I'll just let you know
Let you know
You've got a new walk

Baby let me love you
I just want to hold you
Baby let me be your love

Saw you with your lover
Things were lookin' naughty
Thought I'd be the only one

Baby let me love you
I just want to hold you
Baby let me be your love

Saw you with your lover
Things were lookin' naughty
Thought I'd be the only one

But I don't know
If I should love you
Baby, because you're new
And in the morning
I'll just let you know
Let you know
You've got a new walk

And in the mornin'
Will you kiss me
Baby, or will you care
Oh, in the morning'
I'll just let you know
Let you know
You've got a new walk

Baby let me love you
I know I could
Baby let me be the one
Saw you with your lover
Things were lookin' naughty
Thought I'd be the only one

Baby let me love you
I know I could
Be the one, yeah
Let me love you
Let me love you, forever more

I just wanna hold you
Forever more

I just wanna hold you
