(chorus)

It's your life, don't be stupid though (4x)
'cause when you waste it

(Black C)

Livin that young life
Where nothin nice runnin from the vice
Think twice you lose your life gamblin with the dice
'cause it ain't nothin but a ninety thing baby
And all the hoes in the Point drive me crazy
Can't fade me
If they had a ten-foot pole
I stroll down the block givin props
To my niggaz on the spot
It won't stop and it won't quit
'cause the hoes can't fuck with our shit I switch
Up on that ass, fast
If she try to fade a young nigga she'll get mashed,
bitch
It's just a juice thang, mothafuckin deuce thang
Kill that game, but still a nigga maintain
My business, my mission I'm lynchin
Any mothafucka catch another one of my loved ones
slippin
I smell jealousy up in the Point
But I laugh at the niggaz as I blaze up a chronic joint
'cause I don't trip off them bitch-made niggaz
Or them gold-diggers, 'cause they don't know my
niggaz known killers
But I guess that's a victim tryin to earn a stripe
And got caught up in that mothafuckin way of life

chorus

(Mr. Cee)

Livin my life man, must be the fuckin shit
'cause nowadays niggaz actin like a fuckin trip
And punk hoes try to get you lynched by your dick
But all you impetrators gonna need a Medic quick
Saying this or saying that
You might as well be a masseuse 'cause ya always
talking shit behind my
back

Spreadin rumors like tumors
And crossin off my face on my poster in your girl's
room
And um, I never asked to be the man
But the way these niggaz be playa-hatin make it seem
like I really can
But I don't have to play a role or perp to kick it
Just to get a piece of ass or a free meal ticket
Now I got a tape and these bustas wanna hate me
Just because they girl caught the base and wanna date
me
But back in the days it was always about my nigga
And now you see a brotha comin up then you say his
head is bigger
But I'm still the same-old same-old
The only thing changed was my Levi's to Girbaud
Damn, it just ain't right
But that's just the shit I have to go through 'cause I
claim I'm livin
the life

chorus
