(chorus)

Why niggaz be on why niggaz be on why niggaz be on  
our jock (6x)

(Black C)

Oh shit should this be another fuckin hit  
(Why niggaz be on why niggaz be on why niggaz be on  
your dick)  
I don't know I think it's just the flow  
Or maybe it's the way I use my game to peel a ho  
See I'm a nigga with some game ain't nothin changed  
Shootin this shit like a shootin range  
I think my name should be Mike  
'cause I'm every fuckin playa-hatin nigga wanna be like  
But that icky-green sticky it get me  
Higher than a mothafucka so they can't get with me  
See I stay posted gettin toasted  
Game ferocious down to a bitch gettin roasted  
It's kinda simple and it's easy  
Watchin these jealous mothafuckas get mad 'cause  
their bitch skees me  
And I know they talkin shit  
But I got nuts for a nigga, and dick for a bitch

chorus (8x)

(Mr. Cee)

This is goin out to the people in my business  
You ain't toilet paper so stay out the shitness  
And watch me come on like a shirt  
If you'z a man with sensitivity you'z about to get your  
feelings hurt  
I'm not tryin to say I'm all that  
But just call me dope 'cause niggaz constantly got a  
grip on my sac  
And when I'm in their face yes I'm they nigga  
But really I'm that nigga they wanna get rid of  
And if a bitch around watch them perp  
Niggaz start claimin my name just like a turf  
But this is the hard rugid and dangerous  
And peace to my niggaz that claim this shit  
But let me open my pants 'cause I feel somethin rubbin  
So many people on my dick that now they jock my belly-

button

So if your head turn when I hit the block

Just consider yourself one of them niggaz on my jock

chorus (8x)
