[Singer (Freeway)]

Laaaaa (Uh!)

(Yeah!)

Laaaaa

Let's get this on, let's get this on

We can get this pimpin' (Yeah!)

Roll the dice (Just Blaze!)

We can get this mackin' (Uh-oh!)

(Yeah) Yeaah, bon bon bon

[Verse One - Freeway (Singer)]

From P-H-I L-L-Y

All the way to L-B-C, that be me

The boy F-R-Double-The-E play with mouths

I will dot your I's, blaze your T's (Bon bon bon)

No! No! I'm not related to R

I don't play with kids, I check IDs

If a chick under the age under the wig

Then she don't get under the kid makin' her bleed

Shit, I'm gone with the breeze, out with the wind

In Miami, tryin' to win two mamis out in the beach

They say I'm frontin' my Spanish, I think you prob'ly

Ain't gon' let the papi do you, I spotted you from the beach

She eat I like a melon

Tryin' to ride to my telly, chicks move when the playa speak

Them freaks tryin' to meet the Roc

And those chicks wasn't shocked when I said

[Chorus - Singer]

You can get this pimpin' baby, you can get this mackin'

All around the world we do it big, you know what's happenin'

Like the way you work it baby, so sexy

It's all good, gimme brains on your knees

[Bridge One - Freeway (Snoop Dogg)]

Can I hit that pussy baby? Yo, you know what's happenin'

Big F-R-Double-E, I keep it crackin'

All across the wizzorld, we doin' trizzars  
With my nigga Dizzogg (Bon bon bon)

[Verse Two - Snoop Dogg (Singer)]

I've been all around the wizzorld, I met a lot of gizzurls  
Shaniqua, Kanika, Pizzearl, Shizzirl  
Look, I can go on and on  
Cause my game is strong, word is bond  
Leave me a zone, no, leave me alone  
See I'm up in the clizzub, banging the pizzubs  
Tryin' to get some skizzirts, cause you know how I  
dizzoes  
I'm real this this crippin' cause it's all in my blizzood  
A lot of suckas wanna get us, but can't fuck with us  
Cause we some real heavy hitters  
'Nuff of that, cuff your ass, stuff your sack and bounce  
Roc-A-Fella's in the motherfuckin' Dogghouse (Bon bon  
bon)  
So you know, blow for blow, toe for toe  
Chauffeur dough, matter of fact we can go hoe for hoe  
(Get this on) And I bet you I beat you  
Cause I keep a bundle of 'em that'll greet you, see you  
(Bon bon bon)  
Then freak you

[Chorus]

[Bridge Two - Snoop Dogg]

Can I hit that pussy baby? Yeah, you know what's  
happenin'  
Big Snoopy D-O-Double, you know I keep it crackin'  
All up in your hizzoes, do it the G way  
With my nigga Freeway, bon bon bon

[Verse Three - Freeway]

After the show, take them chickens to my room  
Makin' the moves, smellin' the fumes, sparkin' the 'dro  
She gotta roll after I'm done hittin' her off  
Man I smash with my kicks off, live on the road  
I get around! Free stay round the coochie  
I come around and round up all the groupies  
Me and Snoopy swerve in a Coupe DeVille  
Pick up a couple chicks and we get the dough  
Watch, I show y'all chumps how to work the skills  
Man the heat go (Bon bon bon bon bon)  
Then I reload (Bon bon bon)  
Through your people's peepholes, then I gotta roll  
From around! Free stay round the hood strapped  
Come around and round up all the hoodrats  
In your town, P wish he could that  
Roll up a couple more, tell 'em tell the hood that

I get around!

[Chorus]

[Bridge One]

[Bridge Two]

[Outro - Singer]

Pimpin' (Bon bon bon)

Mackin'

Stackin'

International, roll the dice (Bon bon bon)

Ooooh yeah
