Oh girl  
You see me coming back and forth  
Just waiting for the day  
To spend my life with you  
Cause you know that I'll be there

My hometown girl  
My hometown girl

I will be there  
To spend my life with you

Oh hometown girl  
My hometown girl

I will be there  
I will be there  
Oh girl lets add some rap  
In to this before we nap  
Here we go(yeah yeah oh yeah)

Who ever on this track aint  
Running with the boy beast mode  
Bear grylls don't want it with the boy  
Coming with the noise  
Know that I'm a predator with the metaphors  
Come and get destroyed  
It's west  
The whole dame gang has evolved  
It's BBM cause brothers don't aim anymore  
This rap's the shit kinda like the NBA cause  
Everybody talkin about HEAT till they come to LA

You're my hometown girl  
My hometown girl

I will be there  
I will be there

Oh hometown girl  
My hometown girl

I will be there  
I will be thereeeeeeeeeeeeeeeeeeeeeee.
