Got a tale to tell  
Gonna carry it to the world  
'Bout I came and I saw, yeah  
Trees was dyin', chillun cryin', yeah  
Fish was floatin', famine risin'

Father, son  
On the run  
Chillun' stole from their mothers  
World o' pain, some insane  
Make a mule out of others

Watch your mouth  
Don't you shout  
Even talk without knowin'  
Future man, he understand  
Where I been an' where I'm goin'

Got a tale to tell  
Gonna carry it to the world  
'Bout I came an' I saw
