Goin' down in Chickasaw, gon' take that right hand
road
Goin' down in Chickasaw, gon' take that right hand
road
Bet I ain't gon' stop till I come up in big mama's door

Folks down in Chickasaw say, they all know my name
Folks down in Chickasaw say, they all know my name
And when I'm down there, man, sure be glad I came

Girl that I'm loving got the great long curly hair
Girl that I'm loving got the great long curly hair
But her mama and papa, man, they sure don't 'low me
there

What you gonna do when you find your biscuit roller
gone?
What you gonna do when you find your biscuit roller
gone?
Man, what about it?
Get in that kitchen, man and roll 'em till she come
home

Get up in the mood, man, we sure had lots of fun
Get up in the mood, man, we sure had lots of fun
When I come 'round that corner, gonna see my pony
run

Goin' down in Chickasaw, gon' take that right hand
road
Goin' down in Chickasaw, gon' take that right hand
road
Goin' back to the wood
Said, I ain't gon' stop till I come up in big mama's door
