Don't hold your breath
Not gonna make the same mistake
Don't hold your breath
Not gonna make the same mistake

Want to see me burn?
Want to watch me crawl?
Gonna laugh in all your faces, never see me fall

Disgust, re trust them
Take another step in the hole
With all regrets that follow me
Pushing down again

Does it make a difference?
Does it make a difference if you're there?
Does it make a difference?
You'll never get inside

I know I can't be like them
And hide through regret and sorrow

Wake up, wake up, wake up
You'll never get the best of me
Wake up, wake up, wake up
You'll never get the best

Take a second to clear now
All the noises kept in my head
The time they keep confusing scenes
Kills ambition dead

Does it make a difference?
Does it make a difference if you're there?
Does it make a difference?
You'll never get inside

I know I can't be like them
And hide through regret and sorrow

Wake up, wake up, wake up
You'll never get the best of me

Wake up, wake up, wake up
You?ll never get the best

Let it go, cut them, let it go, cut you off, off
Cut them, cut them, cut them, cut them, cut them

Does it make a difference?
Does it make a difference if you?re there?
Does it make a difference?
Fuck you

Wake up, wake up, wake up
You?ll never get the best of me
Wake up, wake up, wake up
You?ll never get the best

I know I can?t be like them
And hide through regret and sorrow

Let it go, cut them, let it go, cut you off
