[Verse 1: Mac Miller]

Every day a different car ride, a ticket on the plane  
All of a sudden all these people don't be treatin me  
the same  
Treatin' hoes like a bon voyage, see em tomorrow  
The second that you wake up baby, I will be gone  
I got all the time, I got so much to do  
I'm not losing my mind out here fucking with you  
Tryin' to travel overseas, blowin smoke in Costa Rica  
Beat gettin walked on, the salt is on my sneaker  
Keep up we out to the tippy, no ballerina  
Rock a show they say eureka, start to do the macarena  
Chitty I see ya, we turn 'em to believers  
Smoke and get high it'll... (open your eyes)  
Trynna do my thing  
Figure out who the jokers around, who the kings  
Maybe one day, fuck it never say never  
For the boys this my pleasure, this the best day ever  
motherfucker

[Sample x2]

What on earth are you doing here, in the western  
world?  
Another situation yeah, you're a different girl

[Verse 2: Chiddy]

We live a fast life, no one told us 'bout the speed limit  
We in the UK steady smokin weed 'innit?  
Here's my Ducatti flow, kill tracks I body those  
We playin, stay in Vegas at the Bellagio  
I'm gone, adios, see what you made me do?  
Just go and kill some shit, crazy too  
The flow is evil nigga, Chuckie's Bride  
Pride never tucked aside  
When I was just a superstar my mother's eyes  
What changed the brother skies, a slight forecast  
If I kill these veres, I could get some more cash  
The expensive, we someday could afford that  
I'm on a plane and they probably could board that  
I like the way you brought me down, and it brought me  
up

It's early mornin' but I'm steamin' nigga, coffee  
cup  
Yeah, just know I'm holdin' the prize, before you  
know it I'm fire  
Why won't you open your eyes?

[Sample]

What on earth are you doing here, in the western  
world?  
Another situation yeah, you're a different girla
