CHRIS REA

A dying flame, you're free again
Who could love and do that to you
All dressed in black, he won't be coming back
Save your tears, you've got years and years
The pains of seventeens
Unreal, they're only dreams
Save your crying for the day

Fool, if you think it's over
Because you said goodbye
Fool, if you think it's over - I'll tell you why
New born eyes always cry with pain
At the first look at the morning sun
You're a fool if you think it's over
It's just begun

Miss Teenage Dream, such a tragic scene
He's knocked your crown and ran away
First wound of pride and how you've cried and cried
But save your tears, you've years and years

Fool, if you think it's over
Because you said goodbye
Fool, if you think it's over - I'll tell you why
New born eyes always cry with pain
At the first look at the morning sun
You're a fool if you think it's over
It's just begun

I'll buy your first good wine
We'll have a real good time
And save your crying for the day
that may not come but anyone

Fool, if you think it's over
Because you said goodbye
Fool, if you think it's over - I'll tell you why
New born eyes always cry with pain
At the first look at the morning sun

You're a fool if you think it's over
It's just begun
