Well we come down to the valley
Yeh we're looking for the honey
I see a rainbow
I said that's the land of milk and honey
Me and my cousin
Me and my brother
My little sister too
Come looking for a rainbow
Yeh we're looking for a rainbow
Well we come down to the valley
Got our babies in our arms
Yeh we're Maggie's little children
And we're looking for Maggie's farm
Me and my cousin
Me and my brother
My little sister too
Come looking for a rainbow
Oh we're looking for a rainbow
Yeh we're looking for a rainbow
Oh we're looking for a rainbow
Well we come down to the valley
That ain't far away no more
You can't leave us dying this time
'Cos we're all around your door
Me and my cousin
Me and my brother
My little sister too
Come looking for a rainbow
Oh we're looking for a rainbow
Yeh we're looking for a rainbow
We're looking for a rainbow
