(4.05)

I've been everywhere, looking for an answer
I've been in and out, of every place in town
I've been checking out, looking for a reason
I just can't seem to work it out, which every way I
choose

Oh I've been missing you

I'm missing you

I miss your kiss

I miss your touch

Can't get used to it baby

I miss you so much

I'm missing you
