My world is miles of endless roads
That leaves a trail of broken dreams
Where have you been I hear you say
I will meet you at the Blue Cafe
Because, this is where the one who knows
Meets the one who does not care
The cards of fate, the older shows
The younger one, who dares to take
The chance of no return
Where have you been?
Where are you going to?
I want to know what is new
I want to go with you
What have you seen?
What do you know that is new?
Where are you going to?
Because I want to go with you
So meet me down at the Blue Cafe
The cost is great, the price is high
Take all you know, and say goodbye
Your innocence, inexperience
Mean nothing now
Because, this is where the one who knows
Meets the one who does not care
Where have you been I hear you say
I'll meet you at the Blue Cafe
So meet me at the Blue Cafe
