(Love, love, love) (Love, love, love) (Love, love, love)
There's nothing you can do that can't be done Nothing
you can sing that can't be sung Nothing you can say
but you can learn how to play the game It's easy
There's nothing you can make that can't be made No
one you can save that can't be saved Nothing you can
do but you can learn how to be you in time It's easy
All you need is love All you need is love All you need is
love, love Love is all you need
(Love, love, love) (Love, love, love) (Love, love, love)
All you need is love All you need is love All you need is
love, love Love is all you need

There's nothing you can know that isn't known Nothing
you can see that isn't shown There's nowhere you can
be that isn't where you're meant to be It's easy
All you need is love All you need is love All you need is
love, love Love is all you need
All you need is love, all together now All you need is
love, everybody All you need is love, love Love is all
you need
Love is all you need Love is all you need Love is all you
need
