All he wants to do is fish
All he wants to do is fish

Don't have a home
Don't have a name
He don't know fortune and
He don't know fame

All he wants to do is fish
All he wants to do is fish

Don't want a job
A job may ruin his life
Only wants a woman who can be his fishin' wife

All he wants to do is fish
All he wants to do is fish

For some it takes a lot to make their life whole
But all he needs is water and
His fishin' pole

All he wants to do is fish
All he wants to do is fish

You can call him Jaime
You can call him Stan
You can call him stupid
'cause its probably what he am
Hey!

Hot Dog!
Yippee! Heidi Ho!
He's got his welfare check and some Wild Irish Rose
Mr. Hooky Man has a hold of his hand
And if he never lets go
He won't care

Blue gills
Bottle bass
Crappies and trout

He can't help it
That's all he thinks about

Ice fishin'
Fly fishin'
Fishin' in a stream
When he goes to sleep at night
He's fishin' in his dreams

All he wants to do is fish
All he wants to do is fish

For some it takes a lot to make their life whole
But all he needs is water and his fishin' pole

All he wants to do is fish
All he wants to do is fish
