Summoned through a keyhole  
In a lunchbox for three  
Take me to your followers  
And the swingset police  
You can't see the weather  
You've got to pull the blinds  
Tellin' you questions  
Askin' me lies

Well the rich are gettin' richer  
And the poor are gettin' drunk  
In a black and white picture  
There's a lot of grey bunk  
Man, you're hittin' them books  
And hittin' their streets  
Won't be hard to find  
Tellin' you questions  
Askin' me lies

Happy birthday  
Whosever birthday it is today  
Born yesterday  
It's a wonder you're still alive  
And they're tellin' you questions  
And they're askin' me lies

Little Boy Zoo  
An' the rock with his helpful friends  
Butterfly train  
Never ends, never ends  
At a Mexican Bar Mitzvah  
For seven hundred years  
The selfish pray  
You're gonna drive right by/live live  
Tellin' me lies  
And they're askin' me lies  
Tellin' you questions  
Askin' me lies

Happy birthday  
Whosever birthday it is today

All the sex spit in it  
gone down on this fight  
Tellin' you questions  
Askin' me lies

They're telling you questions  
And they're asking me lies  
Telling you questions  
And they're asking me lies  
Askin' me lies  
Lies  
Lies...
