By Paul Westerberg

Get them fingerprints off of this glass  
Wanna keep your job you better start kissing  
somebody's ass  
Excuse me miss  
I gotta get under your feet  
Oh, One day honey when I ain't got this broom  
I'll get you in a room in between some filthy sheets

Cuz I'm a bad worker  
My father would be ashamed  
I'm a bad bad worker  
I'll give you minimum effort for a minimum wage

Drag my vaccum in the office of a courtroom star  
Crossing the street, I didn't wipe, I was tracking tar

All I need in another one and simple no  
(All I need is another warnin' slip, oh no ?)  
Well I drank a cup of coffee and I read a magazine  
Looking for the boss who was nowhere to be seen

Cuz I'm a bad worker  
My father would be ashamed  
I'm a bad bad worker  
I'll give you minimum effort for a minimum wage

An eye for an eye  
A tooth for a tooth  
Vote for me  
And I'll set everybody  
Maybe lay everybody off

Get them fingerprints off of my neck  
Sure you haven't cleaned in the office yet  
Finish that cigarette on your own sweet time  
Worked so hard I ain't got a pocket full of dime,  
quarter or a penny

Cuz I'm a bad worker

My father would be ashamed  
I'm a bad bad worker  
Give you minimum effort for a minimum wage  
Give you minimum effort for a minimum wage
