Cruella De Vil, Cruella De Vil
If she doesn't scare you, no evil thing will
To see her is to take a sudden chill
Cruella, Cruella De Vil.

The curl of her lips, the ice in her stare
All innocent children have better beware
She's like a spider waiting for the kill
Look out for Cruella De Vil.

At first you think Cruella is the devil
But after time has worn away the shock
You come to realize, You've see her kind of eyes
Watching you from underneath a rock.

This vampire bat, this in human beast
She ought to be locked up and never released
The world was such a whole-some place
Until...
Cruella, Cruella De Vil!

This vampire bat, this inhuman beast
She ought to be locked up and never released
The world was such a whole-some place
Until...
Cruella, Cruella De Vil!

Cruella De Vil, Cruella De Vil
If she doesn't scare you no evil thing will
To see her is to take a sudden chill
Cruella, Cruella De Vil.

At first you think Cruella is the devil
But after time has worn away the shock
You come to realize, You've seen her kind of eyes
Watching you from underneath a rock.

Cruella De Vil, Cruella De Vil
If she doesn't scare you no evil thing will
To see her is to take a sudden chill
Cruella, Cruella De Vil.
