I remember...ready?

Well it gets about three, everything is swell  
C'mon down, c'mon what the hell  
I know a better TV, there ain't a whole lot to see  
When you're hangin' downtown

Wait, date, no I can't go  
I gotta stick around, watch my show  
I know it's better than the TV, and there's a whole lot to  
see  
When you're hangin' downtown

Bus stop, pimps and whores  
Liquor stores, Seventh Street, Sixth street  
Bus stop, bus stop, bus stop, bus stop, bus stop  
Anyway, I ain't got no place else to go

Bus stop, bus stop, bus stop, bus stop  
It's about three, everything is swell  
Downtown, c'mon what the hell  
I know it's better than TV, ain't a whole lot to see  
When you're hangin' downtown  
Everybody hangin' downtown  
Hangin' downtown  
Downtown
