"Lost Highway"

I'm a rolling stone
All alone and lost
This road of sin
I have paid the cost

When I walk by
All the people say
Don't you know that guy
On that lost highway?

I'm just a deck of cards
And a wood wok of wine
A woman's lies
I'll make her life like mine

The day we met
We went astray
Rolling down
That lost highway

Not just a kid
Bitter 22
I'm neither good nor bad
Just a kid like you

And now I'm lost
Too late to pray
You pay the cost
Of that lost highway

Now please don't you start
Your rambling round
This road of sin
Or you're sorrow bound

Take my advice
Or you're cursed today
Started rolling down
That lost highway

He started rolling down

That lost highway
Started rolling down
That lost highway
