Bring your own lampshade, somewhere there's a party  
Here it's never endin', can't remember when it started  
Pass around the lampshade, there'll be plenty enough  
room in jail If bein' wrong's a crime, I'm serving forever  
If bein' strong's your kind, then I need help here with  
this feather If bein' afraid is a crime, we hang side by  
side At the swingin' party down the line At the swingin'  
party down the line Pound the prairie pavement, losin'  
proposition Quittin' school and goin' to work and never  
goin' fishin' Water all around, never learned how to  
swim now If bein' wrong's a crime, I'm serving forever  
If bein' strong's your kind, then I need help here with  
this feather If bein' afraid is a crime, we hang side by  
side At the swingin' party down the line At the swingin'  
party down the line Bring your own lampshade,  
somewhere there's a party Here it's never endin', can't  
remember when it started Pass around the lampshade,  
there'll be plenty enough room in jail If bein' wrong's a  
crime, I'm serving forever If bein' strong is what you  
want, then I need help here with this feather If bein'  
afraid is a crime, we hang side by side At the swingin'  
party down the line [mumble] at the swingin' party  
down the line Catch you down at the swingin' party  
down the line
