Well I can't breathe  
I can't swallow  
Here today  
Gonna be back tomorrow

Lyin' in back  
With your heart attack  
In the front seat  
With Pete Pete Pete

Red light running  
Drag me in  
Move the seat back  
It's Saturday night

Take me down -- hospital  
Take me down -- hospital

Wrap me up  
Throw me out  
Jockey the phones  
Fill out these forms

Take off your shirt  
Where does it hurt?  
Get outta them slacks  
outta them slacks -- cut the belt

Take me to -- hospital  
Take me to -- hospital  
Take me down -- hospital  
Take me down -- hospital

Oh. oww. oww. no-ho-ho.

I don't wanna  
Ride no car  
Makin' love  
in my own backyard

Take me to -- hospital

Take me to -- hospital  
Take me down -- hospital  
Take me down -- hospital  
Hospital

I don't wanna  
Die before my time  
Already used  
8 of my lives (3x)

Take me to -- hospital  
Take me to -- hospital  
Take me down -- hospital  
Take me down -- hospital
