Bring your own lampshade, somewhere there's a party  
Here it's never endin', can't remember when it started  
Pass around the lampshade, there'll be plenty enough  
room in jail

If bein' wrong's a crime, I'm serving forever  
If bein' strong's your kind, then I need help here with  
this feather  
If bein' afraid is a crime, we hang side by side  
At the swingin' party down the line  
At the swingin' party down the line

Pound the prairie pavement, losin' proposition  
Quittin' school and goin' to work and never goin' fishin'  
Water all around, never learned how to swim now

If bein' wrong's a crime, I'm serving forever  
If bein' strong's your kind, then I need help here with  
this feather  
If bein' afraid is a crime, we hang side by side  
At the swingin' party down the line  
At the swingin' party down the line

Bring your own lampshade, somewhere there's a party  
Here it's never endin', can't remember when it started  
Pass around the lampshade, there'll be plenty enough  
room in jail

If bein' wrong's a crime, I'm serving forever  
If bein' strong is what you want, then I need help here  
with this feather  
If bein' afraid is a crime, we hang side by side  
At the swingin' party down the line  
[mumble] at the swingin' party down the line  
Catch you down at the swingin' party down the line
