"Hi, we're the Replacements  
Hi, we're the Replacements  
Hi, we're the Replacements  
And we're playing in a rock and roll band  
Rock and roll band

We're having a good time  
We're having a good time  
We're having a good time  
Rock and rolling till the break of dawn  
Break of dawn

Hey where's Tommy, someone find Tommy  
We're out on the road  
Moving Equipment, where's the equipment  
Soon we're going home

Then we'll have a party  
Then we'll have a party  
Then we'll have a party  
Rock and rolling until the break of dawn  
Break of dawn."
